

Data Sharing Statement

Data

Data available: Yes

Data types: Deidentified participant data

How to access data: Request for data must be sent to cre@mst.nl

When available: beginning date: 09-01-2021

Supporting Documents

Document types: None

Additional Information

Who can access the data: Investigators with experience in large-scale stent trials whose proposed use of the data has been approved by an independent review committee ("learned intermediary") identified for this purpose.

Types of analyses: For individual participant data meta-analysis.

Mechanisms of data availability: Proposals should be directed to cre@mst.nl

Any additional restrictions: Data will be available after the publication of the 5-year follow-up data of the BIO-RESORT trial and ending 36 months after article publication (of 5-year follow-up data). The beginning date stated above is an estimation.
