**eAppendix. Survey**

1. Does your program faculty include at least one cosmetic dermatologist or dermatologist who performs cosmetic procedures?
   - [ ] Yes  
   - [ ] No  

2. If so, did that dermatologist complete a formal cosmetic dermatology fellowship?
   - [ ] Yes  
   - [ ] No  

3. In general, do residents currently express a desire for more cosmetic training?
   - [ ] Yes  
   - [ ] No  

4. What role should residents take in cosmetics training?
   - [ ] During the final year of training, residents should be performing the primary cosmetic procedures including lasers, botulinum toxin, and fillers  
   - [ ] By the second year of training, residents should be performing the primary cosmetic procedures including lasers, botulinum toxin, and fillers  
   - [ ] Throughout training residents should be performing the primary cosmetic procedures including lasers, botulinum toxin, and fillers  
   - [ ] Residents should have a role in active observation of the primary cosmetic procedures but should not have an expectation to perform them during residency  

5. Do you DISCOUNT cosmetic procedures performed by residents in order to better enroll patients for them?
   - [ ] Yes  
   - [ ] No  

6. If you discount cosmetic procedures performed on patients by residents, what is your typical discount?
   - [ ] 100% discount (Free)  
   - [ ] Around 75% discount  
   - [ ] Around 50% discount  
   - [ ] Around 25% discount  
   - [ ] Totally arbitrary discount amounts  
   - [ ] Residents do not perform cosmetic procedures  
   - [ ] No discount  

7. What are the most commonly discounted cosmetic procedures? (Check all that apply)
   - [ ] Fillers  
   - [ ] Botox  
   - [ ] Liposuction  
   - [ ] Vascular lasers  
   - [ ] Hair removal lasers  
   - [ ] Ablative lasers  
   - [ ] Non-ablative laser rejuvenation procedures  
   - [ ] Chemical Peels  
   - [ ] I don't know  
   - [ ] N/A  
   - [ ] Other
8. Which laser and light devices does your program offer residents direct hands on training for cosmetic procedures? (Check all that apply)
- KTP Diode
- Pulsed Dye (595nm)
- Q-switched Ruby
- Ruby
- Q-switched ND Yag
- ND:Yag
- Fractionated CO2
- Erbium:Glass
- Erbium:Yag
- CO2 Continuous Wave
- Alexandrite
- Q-switched Alexandrite
- Argon
- Intense pulsed light
- I don’t know
- N/A
- Other

9. Which fillers and injectables do your program offer residents direct hands on training for cosmetic purposes?
- Botulinum toxin
- Hyaluronic acid
- Bovine Collagen
- Human-derived collagen
- Poly L lactic acid microspheres plus bovine collagen
- Calcium hydroxyapatite plus carboxymethylcellulose
- Polymethylmethacrylate microspheres plus bovine collagen
- Fat
- Other

10. In the past 5 years, what percent of your graduates would you estimate incorporate at least some cosmetic dermatology in their practice?
- 100
- 80-99%
- 50-79%
- 20-49%
- 1-19%
- 0%
- We haven't graduated residents yet
- Unknown
11. If you were to estimate, in the NEXT 5 years, what percent of your graduates will likely incorporate some cosmetic dermatology in their practice?
   - 100%
   - 80-99%
   - 50-79%
   - 20-49%
   - 1-19%
   - 0%
   - We haven't graduated residents yet
   - Unknown

12. Which one of the following statements BEST states your attitudes towards cosmetic dermatology in the academic setting?
   - Cosmetic dermatology plays no role in academic dermatology
   - Cosmetic dermatology is only a minor aspect of academic dermatology
   - Cosmetic dermatology is an important aspect of academic dermatology
   - Cosmetic dermatology is a necessary aspect of academic dermatology

13. Region of institution:
   - Midwest
   - Northeast
   - Southeast
   - Southwest
   - West

14. Number of residents in your program:
   - 3 or less
   - 4-6
   - 7-12
   - 13-21
   - >21

15. Number of faculty that supervise residents in all training venues (include the volunteer faculty that interface significantly with your residents during their clinical training):
   - 3 or less
   - 4-6
   - 7-12
   - 13-21
   - >21

16. Number of faculty that supervise residents in all cosmetic venues mentioned above:
   - 3 or less
   - 4-6
   - 7-12
   - 13-21
   - >21
