   - ☐ Billing only
   - ☐ Salary
   - ☐ Salary plus bonus
   - ☐ Other (Please specify: ___________________________)

B. DECISION AIDS

Decision aids are tools developed to support patients’ decision-making process by including evidence for all viable treatment options, a balanced presentation of risk and benefits of those options, and clarifying patient values. Please select only one answer for each question.

5. Do you currently use a decision aid for prostate cancer in your clinic
   - ☐ Yes
   - ☐ No

6. How familiar are you with decision aids for prostate cancer?
   - ☐ Very familiar
   - ☐ Somewhat familiar
   - ☐ Not familiar
7. Please rate your impression of the usefulness of decision aids for prostate cancer treatment.

☐ Very useful
☐ Somewhat useful
☐ Somewhat not useful
☐ Not useful at all

8. Please rate to what extent you agree or disagree with the following statements.

<table>
<thead>
<tr>
<th>Strongly agree</th>
<th>Moderately agree</th>
<th>Moderately disagree</th>
<th>Strongly disagree</th>
</tr>
</thead>
<tbody>
<tr>
<td>Decision aids are applicable to my patients</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Decision aids lead patients to choose less effective treatment options</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>The average patient in my clinic could not process information from a decision aid</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>My estimation of my patient’s risk of recurrence is more accurate than what the currently available decision aids would predict</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

9. For each of the following professional societies, would you trust them to provide balanced, reliable decision aids about localized prostate cancer options? (Mark one response on each line).

<table>
<thead>
<tr>
<th>Society</th>
<th>YES</th>
<th>NO</th>
</tr>
</thead>
<tbody>
<tr>
<td>American Cancer Society</td>
<td>☐</td>
<td>☐</td>
</tr>
<tr>
<td>American Society of Clinical Oncology (ASCO)</td>
<td>☐</td>
<td>☐</td>
</tr>
<tr>
<td>American Society of Radiation Oncology (ASTRO)</td>
<td>☐</td>
<td>☐</td>
</tr>
<tr>
<td>American Urologic Association (AUA)</td>
<td>☐</td>
<td>☐</td>
</tr>
<tr>
<td>National Comprehensive Cancer Network (NCCN)</td>
<td>☐</td>
<td>☐</td>
</tr>
</tbody>
</table>
