

Data Sharing Statement

Data

Data available: Yes

Data types: Deidentified participant data

How to access data: mvos@emory.edu

When available: beginning date: 03-15-2019

Supporting Documents

Document types: None

Additional Information

Who can access the data: Data will be made available in response to bona fide and good faith, ad hoc requests. Suitability of each request, if consistent with IRB approval, will be determined only in the case of a favorable vote of a majority of a committee consisting of each consortium investigator and the Grantor.

Types of analyses: Data will be made available in response to bona fide and good faith, ad hoc requests.

Mechanisms of data availability: Data will be made available with a signed access agreement.
