

Data Sharing Statement

Vincent. Effect of a Recombinant Human Soluble Thrombomodulin on Mortality in Patients With Sepsis-Associated Coagulopathy. *JAMA*. Published May 19, 2019. 10.1001/jama.2019.5358

Data

Data available: No

Additional Information

Explanation for why data not available: The trial is still ongoing. Furthermore, the informed consent form signed by the patients did not address an individual data sharing statement. Currently the General Data Protection Regulation (GDPR) prohibits the disclosure of individual data in the EU. In this situation, we are unable to share the individual data of this trial.
