### Data

**Data available:** Yes

**Data types:** Deidentified participant data

**How to access data:** Fuzhong Li, Ph.D., at fuzhongl@ori.org

**When available:** With publication

### Supporting Documents

**Document types:** Other (please specify)

**Additional Information:** the study protocol is described in a Supplement

**How to access documents:** as online supplement

**When available:** With publication

### Additional Information

**Who can access the data:** researchers

**Types of analyses:** summary data

**Mechanisms of data availability:** with investigator support
