

## Supplementary Online Content

Roberts AL, Agnew-Blais JC, Spiegelman D, et al. Posttraumatic stress disorder and incidence of type 2 diabetes mellitus in a sample of women: a 22-year longitudinal study. *JAMA Psychiatry*. Published online January 7, 2015. doi:10.1001/jamapsychiatry.2014.2632.

### **eTable.** Stressful Events Questionnaire

This supplementary material has been provided by the authors to give readers additional information about their work.

**Supplemental Table:**

**eTable: Stressful Events Questionnaire**

Please fill in the circle next each event that has ever happened to you. (Mark all that apply)

- 1) Been in a serious car accident or a serious accident at work or somewhere else?
- 2) Been in a major natural or human made disaster, such as a fire, hurricane, flood, chemical spill or terrorist attack?
- 3) Ever had a very serious or life-threatening illness such as cancer, a heart attack, AIDS, or multiple sclerosis?
- 4) Before age 18, ever been physically punished or beaten by a parent, caretaker, or teacher so that: you were very frightened; or you thought you would be injured; or you received bruises, cuts, welts, lumps or other injuries?
- 5) Not including any punishments or beatings you already reported in item 4, ever been attacked, beaten, or mugged by anyone, including friends, family members, or strangers?
- 6) Ever been made or pressured into having some type of unwanted sexual contact?
- 7) Ever experienced a miscarriage or still birth?
- 8) Ever experienced the death of one of your own children?
- 10) Ever experienced sexual harassment at work that was either physical or verbal?
- 11) Ever been in any other situation in which you were seriously injured, or in which you feared you might be seriously injured or killed?
- 12) Ever had a close family member or friend die suddenly and violently, for example, by suicide or in a serious car crash, mugging, or attack?
- 13) Not including experiences in your work as a nurse, have you ever witnessed a situation in which someone was seriously injured or killed, or have you ever witnessed a situation in which you feared someone would be seriously injured or killed?
- 14) Served in a war zone, or served in a job that exposed you to war-related casualties (e.g., treating combat casualties)?
- 15) Not including war-related service, have you ever treated civilians with traumatic injuries (e.g., burn victims, amputees, gunshot wounds)?
- 16) Experienced a seriously traumatic event not already covered in any of these questions.
